SCHEDULE # 8

Disability Hospice San Luis Gonzaga / La Granja
New Faces (Rostros Nuevos – La Granja)
La Granja, Metropolitan Region

Fondo Renato Poblete
Reconstruction Work 2010

LA POBREZA NO ES UNA ELECCIÓN.
AYUDAR SI.
The social work

Fundación Rostros Nuevos, an organization that belongs to Hogar de Cristo network, serving adults with mental and psychic disabilities and in social exclusion situation.

San Luis Gonzaga Psychic Disabled Home Program, located in Samuel Escobar 390 - A, Recoleta, serves 40 users. Like most ancient buildings of adobe - adobillo its structure could not stand the strong earthquake so a decree of demolition was applied by the mayoralty.
Target Population

- Adults with psychic or mental disability in poverty and social exclusion situation who developed a weakness or lack of access to family networks or social institutions and in order to develop their daily lives, require the support of public or private agencies.

Institutional Policy

- In Fundación Rostros Nuevos we welcome adults with mental disabilities in poverty and social exclusion situation.
- We strengthen their abilities to their full development by promoting their rehabilitation process, family ties and social reintegration.
- We build spaces with a community focus that allows them to bond, participate and integrate social and / or labor.
- We raise awareness, commitment and community responsibility regarding this social reality and to that end we work in conjunction with other stakeholders and government sectors.
Facilities Detail

It is planned to build a protected residence for psychic disabled people of 800 m2, in structural materials type Covintec and / or Metalcon, stucco finishes, drywall and cardboard microvibrations tiles, ceramics and painting.

Its basic facilities will be have technologies that allow a saving of basic consumption and / or will tend to the environment decontamination, such as employment of energy efficiency bulbs, use of timers in sink faucets, aerators in showers and sink faucets and sinks, toilet with differentiated discharge and solar panels that will allow gas or oil efficiency to generate hot water for showers and kitchen.

The special facilities shall address removal and replacement of air and central heating boilers for central heating that use biomass fuel (generated from all waste wood: pellets).

Standardized and efficient projection of its facilities aims to optimize the use of these in different types of programs that will house programs such as Fraternal Dining, Acceptance Program and administrative offices which impact on the total area of construction and delivery possible provide comfort and dignity to their users.

Distribution of units by area:

- Users: Dining room, TV room and lounge, bedrooms, bathrooms and showers, kinesiology center, nursing, etc.

- Services: Kitchen, perishable and non perishable storeroom, linen storage, laundry, cellar hygiene items, garbage room, boiler room, service patio, etc.

- Administrative: Offices, Multi-purpose hall - meetings - training, personnel room and canteen, toilets and showers, personal dressing room, etc.
